Dear [REDACTED]

Attached please find documents responsive to your May 19, 2026 public records request requesting documents identifying the basis for the change from 34 landowner payments to 33 landowner payments. These documents are bate-stamped PRR 001 - 014. These documents include the publicly available records from Custer County identifying the landowners present in Saddleback Road District as well as the notes of meetings where this issue was raised and discussed. There were no boundary changes, exclusions, ownership changes, reclassifications, exceptions affecting this count.

Additionally, documents bate-stamped PRR 015 - 024 are responsive to your request to Matt Christensen for documents relating to communication between Saddleback Road District and the South Dakota Secretary of State office. These documents include emails between Mr. Christensen and yourself as well as minutes from the meetings in which this issue was discussed.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew E. Naasz', written over a horizontal line.
